Remarks

Welcome to this inviting Gulf Gate villa within walking distance of the quaint Gulf Gate Village and all of its fun shops and restaurants. Woodside Terrace is only a stones throw from the number one beach in the country, beautiful Siesta Key Beach. If you'd like to stay at home and enjoy this small and peaceful community, relax by the lovely heated pool next to the clubhouse, where on occasion there are fun activities for the residents. The spacious and open villa has been updated with luxury vinyl flooring, fresh paint, and impact windows. A glassed-in the lanai can be opened up to enjoy the great outdoors or closed when the weather is not so welcoming. A two car garage with attic space provides great storage. This is a great opportunity at this price point.
